Mobile Technology Workstations — Power-plus

Introducing an intelligent approach to 24/7 power. With Clio Plus it is always having the ability to power up technology components. This is achieved through renewable charging (cordless) and or on-board charging. Altus' Clio Plus AC Powered Workstations keep your workflow flexible and uninterrupted. Clio re-establishes the standard for Powered Carts. Beauty. Strength. **Power-plus**.

Double your Run-time

Enhance your workflow by "doubling your run-time". Simply specify a second battery to be added to your Clio Plus Cart at all times. The batteries are used sequentially, which doubles your run-time.

Work Surface Colors and Finishes

Work Surface Colors and Finishes (YYYY = four digit part number). Select worksurface color (1 standard color).
If another worksurface color is preferred, select alternative (8 choices).
